SEMINAR: CONNECT

IABSE =
CHAMPIONS LEAGUE VOOR
CONSTRUCTEURS

CHAMPIONSLEAGUE=INTERNATIONAL

- 61 % Europe
- 22 % Asia
- 13 % America
- 4 % Africa and Australasia

CHAMPIONSLEAGUE = HOOGSTE NIVEAU

IABSE =
KENNIS+KENNISSEN

KENNIS

- Alle materialen
- Bruggen en andere bouwwerken
- Wetenschap & Praktijk:
 - 45 % Consulting + Design
 - 33 % Education + Research
 - 10 % Construction Firms
 - 10 % Public Authorities, Owners

KENNIS

- Conferenties
- Journal Structural Engineering International
- Publicaties
- Task groups
- E-Learning

KENNISSEN

IABSE voor mij...

Conferenties:

- ▶ London 2011
- ▶ Sharm el Sheikh 2012
- ▶ Madrid 2014
- ▶ Geneva 2015
- ▶ Stockholm 2016
- ▶ Helsinki 2017
- ▶ Vancouver 2017

IABSE voor mij: getting connected

WG8 Forensic Structural Engineering

IABSE voor mij...

Bestuur Nationale Groep

- ▶ Ane de Boer (RWS)
- ▶ Bert Hesselink (Movares – voorzitter)
- ▶ Peter Hoes (Betonvereniging)
- ▶ Aad van der Horst (BAM)
- ▶ Frank Maatje (**Staalvereniging**)
- ▶ Monica Nicoreac (TNO)
- ▶ Bert Snijder (TU Eindhoven)
- ▶ Andre Speksnijder (ABT)
- ▶ Karel Terwel (TU Delft)
- ▶ Marijn Bruurs (namens Youcon)

IABSE: hoe meer je erin stopt, hoe meer je terugkrijgt!

www.iabse.org/application

IABSE invites you..

to find out more about 'SEI'

- Quarterly journal *Structural Engineering International (SEI)*
 - Seminar Participants are offered Free access to SEI Online until **February 28, 2018**

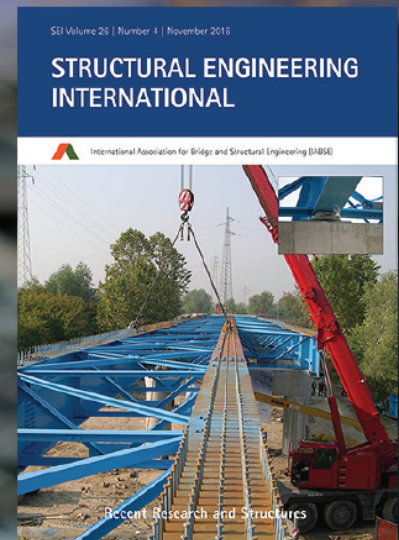

IABSE International Association for Bridge and Structural Engineering

Enjoy *FREE** access to the latest:

**Structural Engineering
International (SEI)**

www.iabse.org/Connect2018

**Valid until February 28, 2018*

IABSE Student Membership

Student Membership is now available!

**IABSE**

Still Studying? Get Ahead.

Student Membership ^{NEW}

For only 20 CHF per year

Join the global network of structural engineers to widen your horizon at the early stage of your career!

The IABSE Student Membership (SIM) is an ONLINE only membership with the same access as an Individual Member (IM) with the exception of receiving printed materials. It is open to all current students 27 years of age or younger.

Membership Benefits:

- Free ONLINE access to Structural Engineering International (SEI) all issues, starting from 1991
- Reduced IABSE Conferences fees
- Free e-books occasionally published by IABSE
- Reduced prices to all IABSE Publications
- Opportunity to join Technical Groups of IABSE and activities of your National Group
- Access to the 'Members Area' including the Members' Directory
- Monthly Newsletter and more...
