

ARUP

ARUP

The image shows a modern library interior with a prominent wooden staircase on the left. The walls are light-colored and feature large, rectangular glass windows and display cases. Inside these cases, there are bookshelves and a red chair. The lighting is warm and focused on the display areas.

OBA, Amsterdam

Onze rol:

Constructief ontwerp

Duurzaam installatieontwerp

Lichtontwerp

Opera House, Sydney

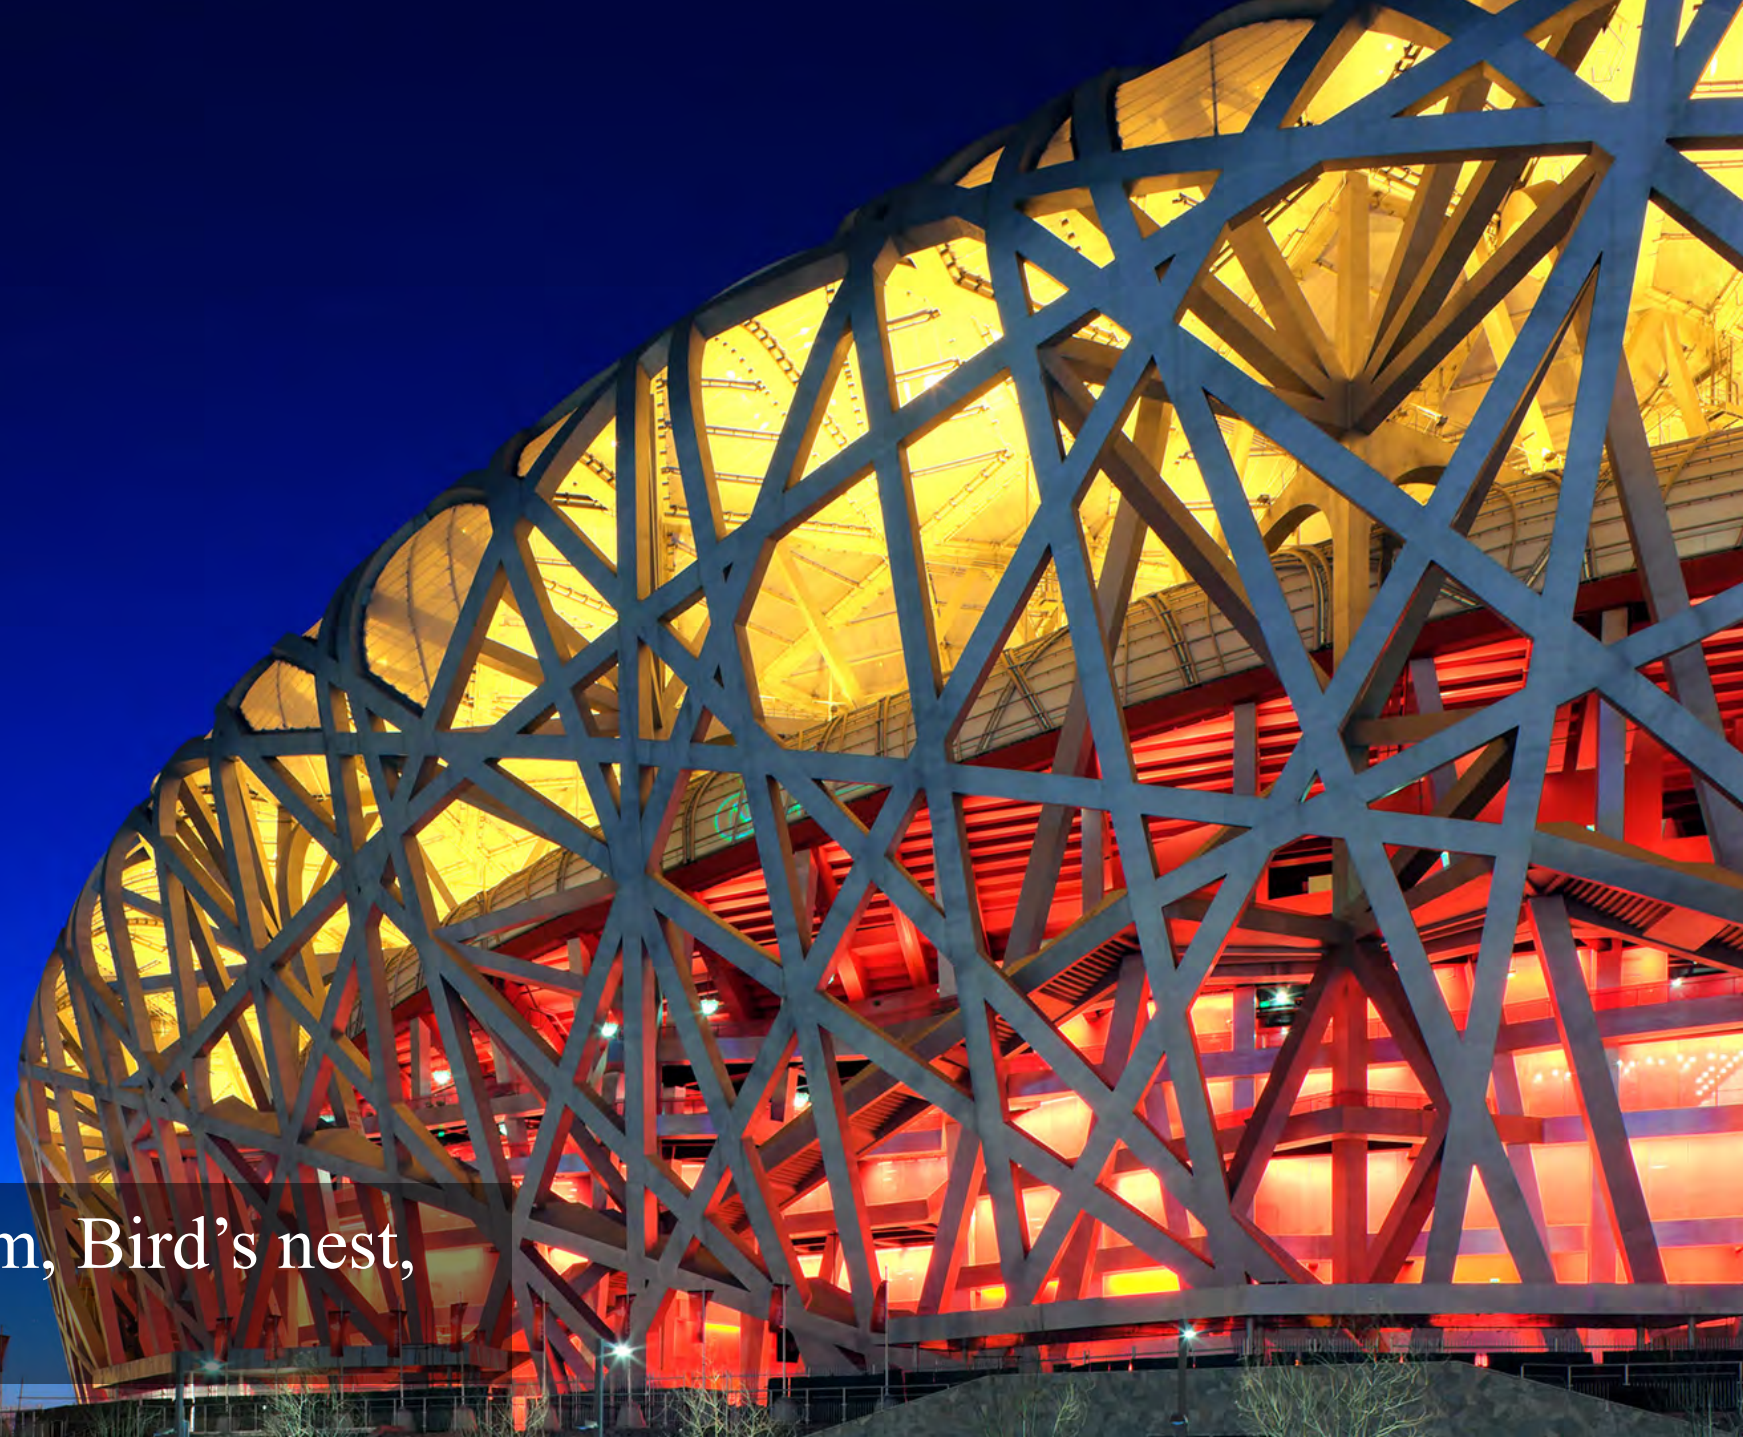

*“The art is to arrive at a good solution.
This is a creative activity, involving
imagination, intuition and deliberate choice”*

Sir Ove Arup, engineer, designer, and philosopher
