## Rules and arrangements for participation

Participants of the 'Prepainted Metal Trophy 2023' should fill in this registration form and send it with the graduation work before **26 August 2023** to Bouwen met Staal. See also the regulations on [www.bouwenmetstaal.nl](http://www.bouwenmetstaal.nl)

### For the jury

- the graduation work (without models)
- two short descriptions of the project: one in approximately 60 words (for the exhibition) and once in maximally 1 A4 (for the jury)
- drawings (in case of a design). At least a general arrangement drawing with plans and sections. And minimally two different detail drawings in which the application of the prepainted metal is clear. The drawings should be appropriate for publication the magazine Bouwen met Staal or other media: digital with a resolution of minimally 300 dpi.
- eventually a report
