Participation criteria

Contenders of the 'Prepainted Metal Trophy 2020' are obliged to submit the filled in registration form and undermentioned material before **16 August 2019** to Bouwen met Staal. The regulations are available on www.bouwenmetstaal.nl (in Dutch)

For the jury

- the graduation work (without scale models)
- short descriptions of the project: one in circa 60 words (for the exhibition) and optional one with maximally 1 A4 (for the jury)
- thesis (if the submission is a research project). Minimally one research report
- drawings (if the submission is a design). Minimally one overview drawing with plans and sections and minimally two different details showing clearly the application of prepainted metal. The drawings are suited for publication in the magazine Bouwen met Staal and other media. The required minimal resolution is 300 dpi.
