Participation criteria

Contenders of the 'student STEEL award 2019' are obliged to submit the filled in registration form and undermentioned material before **15 August 2019** to Bouwen met Staal. The regulations are available on www.bouwenmetstaal.nl (in Dutch)

For the jury

- the graduation work (without scale models)
- two short descriptions of the graduation project: one in circa 60 words (for the exhibition) and one with maximally 1 A4 (for the jury)
- thesis (if the submission is a research project). Minimally one research report
- drawings (if the submission is a design). Minimally one overview drawing with plans and sections and minimally two different details showing clearly the application of steel. The drawings are suited for publication in the magazine Bouwen met Staal and other media. The required minimal resolution is 300 dpi.
